SUBJECT: Your request/ application for providing new load of 2319KW having CA No. 150569663 on HT system of supply in your favour.

Dear Sir,

This has reference to our letter dated 27.04.2015 in the subject matter vide which temporary load of 600KW as per your request was released in your favour for testing purpose for a period of 3 months i.e. upto 28.07.2015.

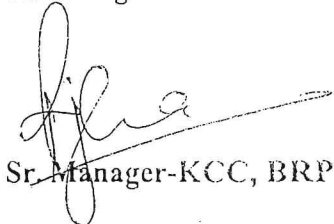

It may be noted that said connection was released on temporary tariff because below given statutory compliances were not completed from your end.

- NOC from Chief Fire Officer if building height is more than 15 meters (duly notarized).
- Copy of Building completion certificate from DDA/MCD (duly notarized).

Almost one year has elapsed since the energization of your said connection on temporary basis but till date we have not received any response from your side.

You are requested to submit above mentioned documents and get connection regularized on permanent tariff or if you still want to continue with temporary connection for testing purposes then a request letter for extension should be submitted in our office within 7 days of receipt of this letter in your office, failing which disconnection of the said connection will be initiated from our end.

Thanking You with Best Regards,

Sr. Manager-KCC, BRPL
